Product Overview

This Holder tilts/angles 15 degrees for optimal viewing. It is a high-quality custom-made holder with a neat and discreet design. It keeps your device in an upright position for better reception.
The modular backplate allows a key lock to be added in the future if needed.

Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.
