Product Overview

The Voyager EVO X is a lightweight, fully collapsible mobile workstation designed for professionals who need a durable and adaptable workspace wherever the job takes them. Height adjustment, integrated accessory mounting, premium wheels, and a travel-ready design make it easy to build, move, and transport a complete professional workstation.

Features

- **Fully collapsible, tool-less design -** For easy setup, breakdown, and transport
- **Lightweight, durable construction -** Premium aluminum, composite materials, and stainless steel hardware
- **Height-adjustable top shelf -** from 38 to 48 inches in 2 inch increments using the patented SLAS system
- **Integrated threaded rail plates -** 1/4”-20 and 3/8”-16 standard mounting points for accessories
- **Premium EVO wheel system** Lightweight aluminum wheels, sealed bearings, and pneumatic tires
- **Travel-ready pack latch system -** Integrated skate wheels for easier transport when collapsed
- **Available in 30, 36, and 42 In. sizes** Accommodate different workflows and needs
