Product Overview

Always keep your battery fully charged with this high quality custom made cradle. It has a neat and discreet design, and keeps your device in an upright position for better reception. A cigarette lighter cable is permanently attached to this Cradle creating a dock type connection for your device. When your device is slid into the cradle it connects to the cable plug. The Cradle angles 15 degrees for optimal viewing. Easily slide your device in/out of the cradle. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.

Features

- Custom fit to device with original skin.
- Keeps your device within easy reach
- Easily slide device in and out of cradle
- Includes tilt-swivel to angle cradle 15 degrees any direction
- Rotate between portrait and landscape view
- Includes USB Host port for accessory connection
- Discreet design blends well with vehicle interior
- Made in Sweden from High Grade ABS Plastic
- Combine with a ProClip vehicle mount to make a full mounting solution
