Product Overview

This is a high quality custom charging cradle is designed for the CT37|CT30 XP with the Protective Boot. This holder does not fit the HealthCare model because it does not have a USB-C port.

This keeps the device facing the operator and features the AMPS hole pattern, which is industry standard for mounting equipment in vehicles and moving applications. This holder will attach to any compatible pedestal, forklift mount or vehicle mount.

This cradle includes a Dual USB Hard-Wired Power Supply that provides power to the CT37|CT30 XP through the USB-C port.
