Product Overview

This is a high-quality custom-made cradle with a neat and discreet design. It keeps your device in an upright position for better viewing and reception. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

Features

- Includes a built-in charging cord for hard-wire installation
- Custom fit to your bare device
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view
