Product Overview

The MagicMount Charge Elite provides fast, wireless charging with Qi2 technology, ensuring optimal power delivery and efficiency for compatible iPhone and Android devices.

Fast wireless charging - Delivers up to 15W of wireless power to MagSafe-enabled iPhone models, as well as Qi2-compatible Android phones. [1]

Strong magnetic hold - The Magnetic Power Profile is engineered for precise magnetic alignment, maximizing energy efficiency, charging speeds, and ensuring secure phone attachment.

Integrated cable storage - Eliminate messy cables with the built-in system that coils and conceals excess cable behind the charging head.

Optimal viewing angles - The mount's ball joint allows for easy adjustments to achieve the ideal viewing angle.

Features

- Provides up to 15W wireless charging
- Magnet Compatible: Works with all MagSafe, Pixelsnap, Samsung Qi2, and devices with compatible cases or adapter rings
- Built-in cable storage for a clean look
- Includes Dual USB-C Cig-Plug Adapter

Specifications

Includes:

- Qi2 Charging Head
- AMPS Base Plate
- Cig-Plug Adapter[2]
- Adhesive Cable Clip x2
- Integrated Cable Storage
- USB-C Cord

12V Cig-Plug Specs:

- Input: 12V-24V DC 7A
- Output: 5V DC 3A | 9V DC 2.22A
- 2nd USB-C port to charge another device

[1] *Qi2 is fully backward-compatible with all MagSafe iPhones (iPhone 12 and later). Phones that support Qi charging but lack built-in magnets will need a compatible case or adapter. Not for use with tablets or other large devices.*

[2] *Can also be used with any USB-C port that supports USB Power Delivery (USB-PD) at 20W or higher.*
