Product Overview

Keep your CT32 secured with the ProClip Non-Charging Cradle.

This custom-fit cradle ensures a secure hold, keeping your device facing the operator for easy access. Its drop-in design facilitates quick, one-handed docking and undocking, enhancing operational efficiency.

Machined from high-grade ABS plastic, the cradle offers durability and reliability in demanding environments. Featuring an industry-standard AMPS hole pattern, it allows for versatile mounting options on various surfaces, including vehicle dashboards, pedestals, forklifts, and carts. Please note, this cradle does not include a tilt-swivel feature.

Features

- Custom fit to your device with Rugged Boot
- Open bottom allows outside device connection

Specifications

Specifications available online.
