Product Overview

Securely mount your Samsung XCover7 Pro with this exact-fit cradle, designed for you device without a case.

The integrated hard-wired power supply keeps your device charged and ready.

The cradle features an industry-standard AMPS hole pattern, allowing for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts, or cart/bar mounts.

Constructed from high-quality materials, it offers a stable and protective solution for your device. The integrated tilt-swivel mechanism enables a 15-degree adjustment and rotation in any direction; providing optimal viewing angles and minimizing glare.

For a complete mounting solution, pair this cradle with a ProClip mount.

Features

- Exact-fit for bare device
- Built-in hard-wired charger for keeping device charged
- Charges device via pogo pins
- Tilt-Swivel allows the cradle to rotate and swivel for easier viewing
- Angles up to 15 Degrees in any direction
