Product Overview

Keep your essential devices charged on the road with the PowerVolt® 50 Retractable USB-C Cable Car Charger. Designed for convenient charging from any vehicle 12V outlet, it delivers up to 50W of total power and can charge up to three devices at once.

Built-in retractable USB-C cable: Provides up to 30W of charging power and extends just over 2 feet for comfortable reach and retracts neatly into the charger to help keep your vehicle interior organized.

Two additional charging ports: The USB-C port delivers up to 20W, while the USB-A port provides up to 18W, giving you flexible charging options for phones, tablets, headphones.

Charging safety: Built-in protection circuitry helps prevent overcharging and overheating, and the LED power indicator makes it easy to confirm the charger is receiving power.

Features

- Charge up to 3 devices with up to 50W total output
- 2ft retractable USB-C cable stores neatly
- Fast charging with USB-C and USB-A ports
- Built-In protection helps prevent overcharging and overheating
