

Charging Holder for Hard-Wired Installation

Part #513016

\$139.99

Avoid cables over your dashboard and always keep your battery fully charged with this high quality custom made holder. It has a neat and discreet design, and keeps your device in an upright position for better reception. A straight power cable is permanently attached to the base of this Holder so you can hard-wire it behind the dashboard. When your device is slid into the holder it connects to the cable plug. The Holder angles 15 degrees for optimal viewing. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.
