

Left Console Mount for Nissan Frontier, Xterra, Suzuki Equator

Part #834321

\$44.99

The ProClip Console Mount attaches on the side of the floor console. Average installation time is 2 minutes. No dismantling of the dashboard is required and there is no damage to the vehicle interior.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Optimal design specific for the console of your vehicle
- Easy installation. Clips tightly into seams of the console
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
