Product Overview

This ProClip Left mount is custom-made for BMW starting in 2018. (see compatibility tab for full list of years and models) The mount attaches on the far left vent. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Left Mount clips tightly into the seams of the dash in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: *Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.*
