## Product Overview

This adapter plate has two "T" shaped prongs extending out from the base plate and fits many devices with the Dual-T slots; including the Cobb Tuning Accessport, DiabloSport Trinity 2 and Edge Insight CTS3.

The Dual-T system is also used by many universal phone holders, satellite radios, car tuners and GPS devices. Use the tilt-swivel to rotate your tuner into landscape view or angle the device 15 degrees in any direction.

Clear your windshield and ditch the universal suction cup. The ProClip two-part mounting system is a major upgrade built for your specific vehicle and device.

*Exact-Fit Dashboard Mount Sold Separately.*
