Product Overview

This threaded mounting plate allows you to mount devices that use the 3-prong threaded adapter (like a GoPro, TomTom or other GPS devices). This product can be combined with any ProClip vehicle mount to complete your two-part solution for a custom fit. For some Jeep model mounts, there is a top horizontal plate, offering extra support for your off-roading adventures with a GoPro.

Features

- 3-Prong threaded mount
- AMPS hole pattern for use with ProClip vehicle mounts or any AMPS base
- Easily attach and remove your device
- Made in Sweden from High Grade ABS Plastic
