(Image Gallery Available Online)

Product Overview

This part is needed for you to be able to attach a satellite radio dock to a ProClip vehicle mount. This adapter plate has a T prong extending from the face plate, and a Tilt-Swivel on the back that angles 15 degrees for optimal viewing. Unhook your device from your windshield suction cup mount and slide it onto the T prong adapter.

Features

- T-prong for satellite radio docks with single T-slot
- Holder rotates and swivels for best viewing angle
