

Charging Cradle with USB-On-The-Go Cable for Hard-Wired Install for MC55/MC65/MC67

Part #532180

\$159.99

This custom-made device holder keeps your phone in an upright position for better reception, with a 15-degree viewing angle. A straight power cable is permanently attached to the base for hard-wiring behind the dashboard. It's easy to slide your device in and out of the holder and no need to disconnect any cable or press release buttons. The holder converts the power from 12V to 5V, providing a clean set up with no cables hanging in front of the dashboard. Professional installation is recommended.

Features

- Custom fit to your device
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view
- USB On-The-Go cable permanently attached to holder for data transfer
- Combine with a ProClip vehicle mount to make a full mounting solution
