

Charging Cradle with Hard-Wired Power Supply for ES400

Part #523208

\$129.99

Avoid cables over your dashboard and always keep your battery fully charged with this high quality custom made holder. It has a neat and discreet design, and keeps your device in an upright position for better reception. A straight power cable is permanently attached to this Holder creating a dock type connection for your device. When your device is slid into the holder it connects to the cable plug. Due to the straight cable you can easily hard-wire it behind the dashboard. The Holder angles 15 degrees for optimal viewing. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.

Features

- Custom fit to your bare device
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view
