

ProClip Heavy-Duty Adjustable Headrest Mounting Base - Small

Part #811010

\$79.99

This high-quality headrest mount base serves as a mounting platform for a custom ProClip tablet holder.

The Safest Headrest Mount. Our headrest mounts have been extensively tested and passed safety parameters including front and rear impact testing. They are the safest choice if you want to use your tablet as a rear seat entertainment device.

Installation is quick and easy. The headrest mount clamps around the headrest posts and the face plate has pre-drilled holes which makes the attachment of a tablet holder easy.

Device Holder NOT included, sold separately. Once you choose this part you will need to choose a Custom Tablet Holder.

Need Smaller Mounting Base: See related products if this mount does not fit your vehicle's headrest posts.
