

Charging Holder with Cigarette Lighter Plug

Part #512292

\$149.99

Protect your investment in Mobile Computing with our in-vehicle charging holder. The charging holder is device-specific and designed for in-vehicle use. The slender lightweight profile of the holder allows the user to conveniently mount it within the vehicle optimizing accessibility and operation. This increases user efficiency and reduces the potential for damage to the device. The charging holder provides a safe and secure fit when docking and maintains a reliable connection. Constructed to high-quality standards, the design can withstand the most severe road conditions and temperature extremes. The charging holder reduces concern of the device bouncing around the vehicle or running out of battery before the day is done!

Features

- Custom fit to your bare device
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view

Compatibility
