## Product Overview

This Adjustable Phone Holder is designed to fit your cell phone (see compatibility below) with no case. It can be adjusted to fit the width of your phone for a snug and secure fit. An easy one-time adjustment gives you the best fit for your phone. If you switch phone cases, simply readjust the holder for a better fit.

**Easy to install** – The Adjustable Phone Holder can be installed in just minutes. It fits all ProClip mounting bases for an exact fit. All you'll need is a Phillips screwdriver to attach it to the mount.

**Optimal viewing angles** – Easily angle the holder 15-degrees to find the perfect spot. You can also rotate from portrait to landscape view for easy navigation and hands-free use.

**One-handed docking** – Easily dock and undock your phone with one hand. No more fumbling around with both hands trying to access your phone.
