Product Overview

This ProClip Left Mount is custom-made for Subaru models starting in 2012. (see compatibility for full list of years and models) The mount attaches to the A-pillar to the left of the driver. It provides the perfect mounting platform for your phone or GPS holder so you don't have to fumble around for your device anymore. The ProClip Left Mount is a very sturdy mounting bracket that clips tightly into the seams of the pillar. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

Device Holder NOT included, sold separately.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.
