

Vehicle Charging Holder for Hard Wired Installation

Part #532387

\$139.99

Always keep your battery charged with this high quality Swedish made Two-way Radio Vehicle Charging Holder. It is custom made with a cigarette lighter cable permanently attached to it creating a dock type connection. It provides rapid and trickle charging. The battery can be charged separately in the holder (without the radio). The holder has a LED indicator to show charging status. It works in 12 and 24 volt vehicles. The holder can be used in personal vehicles, commercial vehicles, emergency vehicles, utility vehicles etc., and mounts to any flat surface, console wall or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts.
