

Angled Dash Mount for Mitsubishi Outlander

Part #854817

\$44.99

This ProClip Vehicle Angled Mount is a custom made car specific mount. It provides the perfect mounting platform for your device holder so you don't have to fumble around for your device anymore. The ProClip Angled Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Angled base keeps cell phone in reach facing the driver.
- Secure dash fit. High-quality ABS plastic. No flimsy vent clips.
- Great for right-handed phone or GPS use.
- Install in only minutes with no extra tools or drilling.

Specifications

base
