

Left Dash Mount for VW Golf (GTI) VII

Part #804855

\$44.99

This ProClip Left mount is custom-made for VW Golf models starting in 2013. (see compatibility tab for full list of years) The mount attaches to the vent on the left of the driver. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Left Mount clips tightly into the seams of the pillar in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Convenient left-side phone or GPS mount location
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
