

Super-Duty Pedestal Mount - 10" with Interlocking Teeth

Part #215550

\$144.99

This 10-inch Super-Pedestal Pedestal Mount features a compact profile, maximum strength and flexibility, allowing it to securely hold one or multiple mobile devices, making it superior to its competition.

Superior Strength - Crafted from solid-core aluminum with large interlocking teeth, this extra sturdy mount supports up to 500 lbs. of force. The 50x50 mm base plates feature an AMPS hole pattern for mounting to any flat surface.

Perfect Angles - Large interlocking teeth with two wing nuts allow joints to be positioned in steps of 24°, up to a maximum of 192° (8 different positions).

Modular - Combine this mount with other parts by mixing and matching to create a custom setup that positions your device for optimal viewing and access.

Ideal Use - Perfect for semi-trucks, tractors, forklifts, fleet vehicles, or any flat surface like walls, racks, carts, workbenches, countertops, and heavy machinery.

Features

- Extremely strong construction supports up to 500 lbs of force
- Compact design with a solid aluminum core
- Small interlocking teeth provide maximum device stability
- Easily adjustable with 8 different locking positions
- Round AMPS base plates (4mm screw slots) attach to any flat surface
- Modular design – Add or combine parts to build a custom mount
