

TomTom Ball Mount Adapter Plate

Part #215588

\$34.99

This ball mount replaces the original suction cup mounts of many different TomTom GPS models. A charging cable can be connected to the original TomTom dock when it is placed on the ball adapter plate on the mount. You can adjust the angle of the device in order to avoid light reflection. Attach the mount onto a ProClip Vehicle Mount.

Features

- Custom made ball to fit with your device/device cradle
- AMPS hole pattern for use with ProClip vehicle mounts or any AMPS base
- Easily remove device from ball and switch between ProClip mount and original suction cup
- Keeps your device upright for better GPS reception
- Made in Sweden from High Grade Plastic

Specifications

- 16mm diameter ball designed to fit TomTom cradles
