Product Overview

This ProClip Police Equipment Mounting Plate is a custom made car specific mount. The ProClip Police Equipment Mounting Plate is a very sturdy mounting platform that attaches firmly onto the top center of the dashboard using the existing screw hole. It provides the perfect mounting platform for attaching your specialized police equipment. Use the predetermined threaded holes or you can create your own holes for mounting your equipment. No drilling holes or dismantling of the dashboard is required, simply attaches in seconds.

Features

- Provides the perfect mounting platform for police equipment
- 20 (4MM) threaded holes for attaching components
- Grommet hole for passing wires through
