Product Overview

This Angled Dash Mount is made specifically for your Jeep Cherokee starting from 2014 (See below for full list of compatibility). This mount attaches under the center, passenger side vent; angled slightly towards the driver. Combine with a ProClip device holder to make a complete mounting solution for your phone or GPS. The ProClip mount clips tightly into the seams of the dashboard in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Consider how the device will fit the location and could interfere with other vehicle functions.
