

Angled Dash Mount for Toyota Highlander

Part #855022

\$44.99

This ProClip Dash Mount is custom made for your Toyota Highlander starting from 2014 (see compatibility tab for full list of years). This mount attaches just below the vent on the right of the center screen, angled slightly towards the driver. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Angled Mount clips tightly into the seams of the dashboard in seconds. No drilling holes or dismantling of the dashboard is required.

Device Holder NOT included, sold separately.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- **Angled Mount:** Keep your device down and out of the way; while still keeping it within reach
- **No damage:** Fits into existing seams; no drilling or modifying required
