

Extra-Strength Dash Mount

Part #213512

\$69.99

This ProClip Vehicle Center Mount is a custom made car specific mount. The mount attaches to the center area of the car dashboard. It provides the perfect mounting platform for your device holder so you don't have to fumble around for your device anymore. The ProClip Center Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

Device Holder NOT included, sold separately.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.
