

Key Lock Non-Charging Cradle - Bare Device

Part #522883

\$244.99

This high quality Swedish made cradle for the tablet mounts to any wall, flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts, headrest mounts etc. It is custom made and fits your Tablet like a glove. It works great when you want to secure your tablet and still have it easily accessible. As added security to prevent unauthorized removal of the tablet from the cradle it is equipped with a key lock block. In order to remove the tablet from the cradle you need one of the two keys included. The cradle is made of extra strong plastic.
