

## Angled Dash Mount for Buick Envision

Part #855269

**\$44.99**

This ProClip Vehicle Angled Mount is a custom-made car-specific mount. The mount attaches to the side of the center console, angled slightly towards the driver. It provides the perfect mounting platform for your device holder so you don't have to fumble around for your device anymore. The ProClip Angled Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

**Device Holder NOT included, sold separately.**

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

### Features

- Angled base keeps cell phone in reach facing the driver.
- Secure dash fit. High-quality ABS plastic. No flimsy vent clips.
- Great for right-handed phone or GPS use.
- Install in only minutes with no extra tools or drilling.
