

Active Dock Holder for Hard-Wired Install

Part #215943

\$104.99

This Active Dock Holder will allow you to neatly integrate your navigation system with the interior of your vehicle. Your TomTom easily docks in/out of the Holder. In the back of the Holder there is a micro-USB port for connecting the included charging cable or the TomTom TMC cable purchased from TomTom. When you dock your TomTom you are fully connected without having to manually connect/disconnect your cable. The Holder angles 15 degrees for optimal viewing.

Features

- Custom fit to your bare device
- Includes Tilt-Swivel to angle holder 15 degrees any direction
- Rotate between portrait and landscape view

Compatibility

- TomTom GO 520 (2016)
