

## Angled Dash Mount - Extra-Strength

Part #213536

\$69.99

This ProClip Vehicle Angled Mount is a custom made car specific mount. The mount attaches to the side of the center console, angled slightly towards the driver. It provides the perfect mounting platform for your phone, GPS, tablet, or other device in the car so you stay safe and hands-free while driving. The ProClip Angled Dash Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

**Device Holder NOT included, sold separately.**

*Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.*

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

### Features

- Angled base keeps cell phone in reach facing the driver.
- Secure dash fit. High-quality ABS plastic. No flimsy vent clips.
- Great for right-handed phone or GPS use.
- Install in only minutes with no extra tools or drilling.

*Standard website promos do not apply to this item*

### Compatibility

- Freightliner Cascadia 2018-2024
