

Tough Sleeve for Hard-Wired Installation

Part #759033

\$209.99

The **Tough Sleeve** rugged tablet enclosure from ProClip is the perfect way to protect, mount, and power your tablet. Custom-designed for a perfect fit to your device and precision-machined from durable ABS and Acetal polymers, the Tough Sleeve encapsulates and protects your tablet while simultaneously charging the device through a robust electro-mechanical docking interface we call the **Sliding Power Block** or 'SPB' for short.

The SPB allows rotation between portrait and landscape; as well as tilt up to 15 degrees in any direction for optimal viewing of the device. The industry standard AMPS hole pattern allows the SPB to be easily attached to a variety of existing mounts or any flat surface. When it's time to go mobile, the quick-release functionality of the SPB interface is convenient and simple to use. Press the release lever, slide the Tough Sleeve out of the SPB and you're on your way. Once in the protective Tough Sleeve, your tablet can be securely mounted anyw
