

## Ford Transit Connect Left Mount for Landscape Device

Part #805422

**\$44.99**

This ProClip Vehicle Left Mount is a custom made car specific mount. The mount attaches on the left side of the steering wheel and the face plate is angled towards the driver for optimal viewing. It provides the perfect mounting platform for your phone, GPS, tablet, or other device in the car so you stay safe and hands-free while driving. The ProClip Right Dash Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

**Device Holder NOT included, sold separately.**

### Features

- **Left Mount for Landscape Device:** For mounting a device to the left of the driver; most popular mount for GPS devices
- **No damage:** Fits into existing seams; no drilling or modifying required
