

## Center Dash Mount for VW Jetta

Part #855437

**\$44.99**

This ProClip Vehicle Center Mount is a custom made car specific mount. The mount attaches to the center area of the car dashboard. It provides the perfect mounting platform for your phone, GPS, tablet, or other device in the car so you stay safe and hands-free while driving. The ProClip Center Dash Mount is a very sturdy mounting bracket that clips tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

**Device Holder NOT included, sold separately.**

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

### Features

- Center location for optimal phone viewing and hands-free use
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
