

Standard Cradle with Vibration Damper for Zebra 3600

Part #241480

\$99.99

This is a high quality custom made holder with a neat and discreet design. Easily slide your device in & out of the holder. No more fumbling around for your device. The industry standard AMPS hole pattern allows easy attachment to any flat surface or ProClip pedestal mount. The preinstalled vibration damper softens vibrations caused by machinery or rough terrain.
