

Left Pillar Mount for Toyota 4Runner

Part #805461

\$44.99

This ProClip Vehicle Mount is a custom made car specific mount. The mount attaches to the seams of the car dashboard. It provides the perfect mounting platform for your device holder so you don't have to fumble around for your device anymore. ProClip Mounts are very sturdy mounting brackets that clip tightly into the seams of the dashboard. No drilling holes or dismantling of the dashboard is required, simply clip on in seconds.

Device Holder NOT included, sold separately.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Custom-made for the Toyota 4Runner from **2017 - 2024**
- Left Mount: For mounting a device to the left of the driver; most popular mount for GPS devices
- No damage: Fits into existing seams; no drilling or modifying required
