

Vehicle Cradle with Hard-Wired Power Supply

Part #713104

\$159.99

This high quality custom made cradle with a neat and discreet design keeps your device in an upright position for better reception. Easily slide your device into the cradle then tilt or rotate for optimal viewing. This cradle includes an integrated charger with a cord for hard-wiring to a permanent power source in the vehicle.

No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle. The cradle comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

Features

Custom fit cradle for your phone without a case includes a built-in charging cord that is meant to be wired into your vehicle's power system.

- **Custom fit:** Only for the bare device
- **Includes tilt-swivel:** Angle cradle 15 degrees any direction
- **Built-in cord:** Straight cord for hard-wired install
