

Spring Lock Charging Holder for Hard-Wired Installation

Part #747101

\$149.99

Always keep your battery fully charged with this high quality custom made holder. This charging holder is a cradle style mount custom made for a perfect fit with your device. It has a dock connector for easy connection of the device to the holder and a straight power cord with a cigarette lighter plug for connection to a power outlet in the vehicle. The Holder angles 15 degrees for optimal viewing and can swivel 360 degrees. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, pedestal mounts or handlebar mounts. Includes spring lock for added device security. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.
