

## Right Console Mount for Mazda 3

Part #835510

\$44.99

This ProClip Console mount is custom-made for your Mazda 3 starting in 2019 (see compatibility tab for full list of years). The mount attaches to the center console. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Console Mount clips tightly into the seams of the console in seconds. No drilling holes or dismantling required.

**Device Holder NOT included, sold separately.**

*Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.*

**Notice:** Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.
