

Charging Cradle with Top Support, Vibration Damper and Hard-Wired Power Supply for Zebra MC9300/MC9400

Part #216096

\$325.99

This high quality custom made cradle features a compact design that accommodates the pistol grip of the device and ensures the screen faces the operator.

The included swiveling top support ensures the device stays docked through heavy vibration environments and the vibration dampers reduce the wear and tear on the device itself.

The cradle comes with the AMPS hole pattern which is industry standard for mounting equipment in moving applications. This holder will attach to any compatible pedestal, forklift mount or vehicle mount.
