Product Overview

This ProClip Center Dash mount is custom-made for your Nissan starting in 2020. (see compatibility tab for full list of years) The mount attaches on the center vent. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Center Mount clips tightly into the seams of the dashboard in seconds. No drilling holes or dismantling of the dashboard is required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: *Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.*

Features

- Center location for optimal phone viewing and hands-free use
- Easy installation. Clips tightly into seams of the dashboard
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
