

Vehicle Cradle with Hard-Wired Power Supply

Part #713053

\$299.99

This high quality custom made cradle features a compact design that accommodates the regular and extended battery and ensures the screen faces the operator.

The included swiveling top support ensures the device stays docked through heavy vibration environments.

The cradle comes with the AMPS hole pattern which is industry standard for mounting equipment in moving applications. This holder will attach to any compatible pedestal, forklift mount or vehicle mount.
