

Right Console Mount for Porsche 911-series

Part #855569

\$44.99

This ProClip Console mount is custom-made for your Porsche starting in 2020 (see compatibility tab for full list of years). The mount attaches on the passenger side of the console. Combine with a ProClip device holder to make a custom mounting solution for your phone or GPS. The ProClip Console Mount clips tightly into the seams of the console in seconds. No drilling holes or dismantling required.

Device Holder NOT included, sold separately.

Comes with a pre-drilled hole pattern for device attachment (might not be shown in photo). This is a suggested placement pattern only. A device holder can easily be attached anywhere on the face plate.

Notice: Consider how the device, or horizontal position, will fit the location and could interfere with other vehicle functions.

Features

- Optimal design specific for the console of your vehicle
- Easy installation. Clips tightly into seams of the console
- High-quality ABS plastic is built to last
- Pair with a ProClip device holder to create a full mounting solution for your phone, GPS, or other device
