

Front Facing Top Support Cradle with Vibration Damper for Zebra MC3330R

Part #241650

\$199.99

This vehicle cradle provides a convenient location for your device while charging it. This design accommodates the standard model as well as the gun format and the turret/rotating top model.

The included vibration dampers reduce the wear and tear on the device itself and absorb most of the impact from heavy vibration environments.

The holder comes with the AMPS hole pattern for quick attachment to any flat surface, dashboard mount, pipe/cart mount, or suction cup.

Features

- Custom fit to bare device
- Vibration Dampers reduce wear and tear on the device
- Top support keeps the device in place during intense vibrations
- AMPS hole pattern for attachment to any mount

Compatibility

- Zebra MC3330R
