

Articulating Arm Kit with L-Bracket

Part #100165

\$279.99

This articulating arm is designed to handle VESA 75/100 mounts for monitors holders and mount directly into walls and other hard surfaces.

The included wall fastener kit provides sheet rock anchors and wood screws to make it easy to mount wherever needed.

The three part arm can be height adjusted and allows for two configurations with the included arm segments.

Features

- Swiveling arm supports VESA 75/100 Mounting Pattern for monitors, holders and devices
- Supports up to 17.5 Lbs
- AMPS pattern on the bracket for connecting to any compatible mount or for mounting directly to a wall
- High quality metal construction is strong enough for larger devices and monitors
