

Articulating Arm Shelf Mount

Part #100172

\$594.99

This product is designed to provide swinging arm that allows you to quickly and easily position the arm and attached device for best access and visibility.

The end of the arm features an VESA 75/100 offset plate to allow any monitor, holder or cradle to be directly attached.

The included L-Bracket and pedestal allow you to mount to a shelving unit to provide a convenient work station.

Standard website promos do not apply to this item.

Features

- Swiveling arm supports VESA 75/100 Mounting Pattern for monitors, holders and devices
- Supports up to 17.5 Lbs
- Includes a plate to allow it to be attached directly to a wall or to a shelf.
