

Charging Holder with Tilt-Swivel and Hard-Wired Power Supply

Part #713170

\$139.99

This charging holder is designed with a pogo pin connection to prevent wear and tear to the device. This allows the device to easily dock and charge without having plug and unplug the USB cable. The cradle makes it easy to keep the device charged and keeps your hands free. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, floor mounts, pedestal mounts or handlebar mounts.

This charging holder features a Hard-Wired Power Supply that must be wired into the 12/24 V power system that most vehicles operate on.

Features

- Holder fits bare device
- Includes a tilt-swivel to adjust the view angle and rotate the screen.
- AMPS hole pattern for attachment to any mount
- Made in Sweden from High Grade ABS Plastic

Compatibility

- Janam XT3
